

Notice of Change

United Counties of Stormont, Dundas & Glengarry SDG County Forest Management Plan Five-Year Operating Plan 2017-2021

The following forest compartments have been removed from the harvest schedule due to operating conditions related to access. The subject compartments are located in the Alvin Runnalls Forest on Lot 20-21 Concession 8, North Dundas

Compartment	Forest Unit	Treatment Type	Forest Unit Area (hectares)
14	White Spruce	Thinning	2.4
14	White Pine	Thinning	3.4
15	White Spruce	Thinning	7.2
Total			13.0

Consistent with annual allowable harvest area (AHA) determined for the planning period, the following forest compartments have been added to the schedule. The subject compartment is located in the Howard S, Mitchell Tract on Lot 8-9 Concession 8, North Glengarry

Compartment	Forest Unit	Treatment Type	Forest Unit Area (hectares)
90	White Spruce	Thinning	9.0
Total			9.0
