County Road 34 (Main Street) Environmental Assessment Study

United Counties of Stormont, Dundas and Glengarry

INTRODUCTION

The United Counties of Stormont, Dundas and Glengarry, in partnership with the Township of North Glengarry, has conducted an Environmental Assessment (EA) Study for the improvement of County Road 34 (Main Street) from County Road 10 (Lochiel Street East) northerly to Elgin Street, including Mill Square, in Alexandria. The Study has evaluated roadway improvements, cross sections, intersections and active transportation alternatives. A Technically Preferred Plan has been developed to address the needs of the Study Area.

STUDY PROCESS

The County Road 34 (Main Street) EA Study has been undertaken as a Schedule B EA Study under the Municipal Class Environmental Assessment (MCEA) (2015). A Project File has been prepared which includes a summary of the planning solutions, consultation process, existing environmental issues, evaluation of alternatives and the mitigation measures that have been developed to address environmental concerns.

The Project File will be available online at <https://sdgcounties.ca/node/1090> from May 12, 2021 to June 10, 2021.

OUTSTANDING ISSUES AFTER PROJECT FILE REVIEW

The *Environmental Assessment Act* has been recently amended through the *COVID-19 Economic Recovery Act, 2020* regarding outstanding concerns remaining after individuals / parties have reviewed the Project File. In the event there are outstanding concerns regarding potential adverse impacts to constitutionally protected Aboriginal and treaty rights, a Part II Order request should be addressed in writing to both:
