We appreciate the interest of all applicants, however, only those selected for an interview will be contacted. A full job description follows below.

## TOWNSHIP OF NORTH DUNDAS

### JOB DESCRIPTION

Job Title: <b>Deputy Treasurer</b>	Approved: April 12, 2017
Reports To: Treasurer/Director of Finance	Approved By: Council
Wage: Grade 9 (\$84,747-\$100,889)	Revised: October 2, 2025

#### **Position Summary:**

Reporting to the Treasurer/Director of Finance, this position is responsible for compiling, reviewing, analyzing and reporting financial data for internal and external stakeholders. This will include regular preparation, review and analysis of financial reports, assistance with preparation of year-end working papers to support the external audit, provide data for the annual financial statements, the FIR (Financial Information Return), as well as ad-hoc analysis and report preparations to assist departments in making key business decisions; assist in the preparation, reconciliation, review and analysis of the annual operating and capital budgets; ensure compliance with the Municipal Act, Municipal policies, as well as appropriate internal control processes and procedures; also responsible for all payroll functions, assisting/completing bank reconciliations, journal entries, budget transfers and other duties as assigned.

#### **Education and Experience:**

- Four-year university degree in accounting, economics, business or a related discipline. A combination of relevant work experience and education will also be considered.
- Certificate in Municipal Accounting and Finance would be considered an asset.
- A professional accounting designation or actively working towards one, would be considered an asset.
- Three years of relevant experience in accounting/financial analysis, preferably in a municipal or public sector environment with supervisory responsibility.
- Working knowledge of GAAP, PSAB (Public Sector Account Board) Standards, municipal financial legislation/regulations including the Municipal Act and the Assessment Act.
- Excellent interpersonal, organizational, analytical, problem solving, communication, research, financial and time-management skills.
- Proficiency working in a computerized environment, specifically Microsoft Office applications, including advanced Excel skills
- Ability to prioritize and handle multiple projects and tasks, meet deadlines and work under pressure.
- Willingness and ability to learn and apply new technology as it relates to financial software and systems.
- Demonstrated customer focus and ability to build strong professional relationships with internal and external stakeholders; commitment to confidentiality and professional ethics.
- Ability to deal courteously and effectively with departmental and corporate contacts at all levels

- Working knowledge of Vadim Municipal Software would be considered an asset.

**Duties and Responsibilities:**

- Provision of all payroll related duties - including performance of bi-weekly payroll duties; issuance of T4's and T4A's at end of year; source deduction filings with CRA and/or various government agencies; maintaining employee benefit programs including preparation and filing of all requisite forms.
- Prepare monthly bank reconciliations for all Township bank accounts.
- Prepare budget templates, documentation, budget guidelines and other information relevant for management to use during budget deliberations.
- Monthly analysis of departmental spending vs budgeting, and analysis/explanation of budget variances.
- Attend Council meetings as requested.
- Provide cost benefit analysis, reconciliation and other financial assistance to staff as requested and required.
- Assist with grant applications and claim reports as required.
- Overseeing TCA (Tangible Capital Asset) accounting, including compilation and reporting, data entry and calculation of annual depreciation amounts.
- Provide direction and oversight responsibility for the updating of the Asset Management Plan (AMP), as well as continual updating and revision of the plan as projects are completed or more/better information becomes available;
- Contribute to development of the 10-year capital budget plan
- Prepare and file HST returns as required under applicable legislation.
- Prepare account analysis, balancing and reconciliation; year-end working papers and other information to assist with preparation of year end audited financial statements and the Financial Information Return;
- Preparation of any required adjusting journal entries to ensure accuracy of account balances at year end and throughout the year.
- Assist in providing timely and accurate financial information as required, to Finance and to other departments throughout the municipality.
- Providing back-up assistance for accounts payable functions, entering invoices in Vadim and processing cheques and electronic funds transfers (EFT's) for payment to suppliers;
- Provide assistance on enquiries from the Tax Administrator and the Utility Billing, Accounts Receivable/Payable Coordinator,
- Assist with reserve and reserve fund analysis and policy
- Provide daily oversight and guidance to finance department staff, serving as the first point of contact for routine inquiries, procedural questions, and operational issues.
- Other duties as assigned

**The forgoing description reflects the general duties necessary to describe the principal functions of the job identified and shall not be construed to be all of the work requirements that may be inherent in this classification.**
