Message from the Detachment Commander

I am pleased to present the Stormont Dundas and Glengarry Detachment - 2025 Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data, and highlights initiatives and successes from the past year. 2025 was the last year of the 2023-2025 Stormont Dundas and Glengarry Detachment Action Plan and this report will provide a final update and progress results from that plan.

I am proud of the work undertaken by the members of our detachment in 2025.

Our focus on the "Big Four" traffic violations—speeding, cell phone usage, lack of seatbelt use, and impaired driving continues to demonstrate our unwavering commitment to traffic safety in SD&G. Unfortunately, our efforts were not enough, and we saw a year over year increase in fatal motor vehicle collision in the first ¾ of the year. Our members were deeply impacted by these tragedies and their resolve and efforts only increased so they could ensure that the roadways and highways were some of the safest in the Province of Ontario.

Our commitment to investigative excellence continues to be grounded in thorough, impartial, and victim-focused policing. We have invested in training, intelligence-led practices, and strong partnerships to ensure investigations are conducted with diligence, integrity, and respect for the rule of law.

Equally important is our unwavering support for victims of crime. From first contact through court proceedings, victims are treated with compassion, dignity, and transparency. Specialized supports, timely communication, and coordinated referrals help victims navigate the justice process while reducing re-traumatization. These efforts ensure that SD&G continues to be one of the safest communities in Canada to live and raise a family.

Emergency management participation in Exercise Trillium was a significant success. The detachment and OPP worked collaboratively with first responders, county and municipal partners, the Canadian Armed Forces, and key community stakeholders. The exercise strengthened coordination, validated emergency plans, enhanced interoperability, and reinforced shared readiness to respond effectively to complex, large-scale incidents together.

The Mobile Crisis Response Team (MCRT) continues to play a vital role in supporting individuals experiencing mental health crises through timely, coordinated, and compassionate interventions. The enhancement grant expanded service capacity, improved response times, and strengthened partnerships with health and community agencies. This investment enhanced diversion from the justice system, improved outcomes for individuals in crisis, and increased overall system efficiency and community safety.

We are very fortunate to have such a strong, engaged and visible auxiliary unit in SD&G. The SD&G OPP Auxiliary Unit made a meaningful contribution to community engagement through visible presence, public events, and educational outreach. Their volunteer support strengthened relationships, enhanced

public trust, and reinforced crime prevention efforts while demonstrating a strong commitment to community service and partnership. They continue to regularly engage in proactive and high visibility patrols in our most built up neighbourhoods and public areas throughout the united counties.

Enhanced partnerships with local schools and school boards strengthened the delivery of safety messaging related to sexual consent and internet safety. Collaborative education initiatives provided students, educators, and families with age-appropriate, relevant information to promote healthy relationships, responsible online behaviour, and personal safety. These partnerships supported early prevention, increased awareness, and reinforced a shared commitment to safeguarding youth within the community.

The members of the SD&G Detachment would like to extend our sincere appreciation to the board for its ongoing guidance, trust, and support. This continued partnership has been instrumental in achieving sustained operational success, strengthening service delivery, and advancing shared priorities that benefit community safety and public confidence.

In 2026, we will release our new 2026-2029 Stormont Dundas and Glengarry Detachment Action Plan. This is the first action plan developed under the *Community Safety and Policing Act* (CSPA). We are working closely with our Stormont Dundas and Glengarry Detachment Board and engaging with community members to ensure the needs of our communities are reflected in the commitments we make for the next four years.

Development of the 2026-2029 Stormont Dundas and Glengarry Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan creating organizational alignment.

As we look ahead to emerging challenges and new opportunities in policing and community safety, our detachment members remain committed to our mission to serve our communities, protect our citizens, uphold the law, and preserve public safety.

Marc B. Hemmerick
Detachment Commander
Stormont Dundas and Glengarry Detachment

Summary of Commitments

Through analysis and consultation, the following areas of focus were identified for the years 2023-2025.

Crime	Roadways, Waterways and Trails	Community Well-Being
Address and reduce rural property crime in SD&G communities. Reduce incidents of human trafficking and human smuggling. Targeted enforcement of persons involved with illicit drugs. Minimize the incidents of cybercrime and phone scams. Improve victim support for sexual crimes.	Sustain a continuous and year-round focus on enforcing the “Big Four” and commercial motor vehicles. Reduce the number of motor vehicle collisions. Promote marine safety and trail safety.	Expansion of the Mobile Crisis Response Team (MCRT), to provide community based, acute services to those suffering from mental health and addiction related issues. Enhance our harm reduction programs and strategies being delivered in the schools. Actively participate in overdose reduction councils and programs. Enhance participation and communication in emergency management with the United Counties of Stormont Dundas and Glengarry and our six municipalities. Enhance our relationships with all members of the Indigenous Mohawk Territory of Akwesasne.

2025 Crime Progress Results

Commitment	Progress Results
Address and reduce rural property crime in SD&G communities.	In 2025 we saw a total reduction of 6.2% in property related crimes with the greatest reductions in fraud and mischief type related calls for service.
Reduce incidents of human trafficking and human smuggling.	The partnership with Victim Services played a crucial role in reducing the number of reported human trafficking and human smuggling occurrences in SD&G. Through training, early detection and diversion and immediate victim supports our teams have ensured that we have continued to see year over year decreases.
Targeted enforcement of persons involved with illicit drugs.	Our Community Street Crime Unit (CSCU) continues to target individuals and groups that are involved with illicit drugs. We continue to see significant decreases in cultivation and traffic related occurrences. Their partnerships and joint investigations with the RCMP and Cornwall Community Police Service continue to demonstrate that our response is as borderless as the criminal trade of illicit drugs.
Minimize the incidents of cybercrime and phone scams.	The greatest challenge that we have experienced are the fraudsters shifting techniques by identifying themselves as local police officers to gain the trust of their victims. We continued to use community engagement and targeted public education campaigns, to try and minimize incidents of cybercrime and phone scams in SD&G. By hosting workshops, distributing informative materials, and leveraging social media, we empowered residents with the knowledge to recognize and avoid fraudulent schemes. Our officers worked closely with vulnerable populations, including seniors, to ensure they understood the newest scam tactics and how to report suspicious activity.
Improve victim support for sexual crimes.	Although we were unable to continue with the victim advocate program due to an end to the grant funding, our strong partnership with victim services continues. They provide victims of sexual assault with compassionate support, ensuring they receive the care and guidance needed during an incredibly difficult time. Their trauma-informed approach fosters trust and empowers victims to come forward, knowing they are not alone.

2025 Roadways, Waterways and Trails Progress Results

Commitment	Progress Results
Sustain a continuous and year-round focus on enforcing the “Big Four” and commercial motor vehicles.	For 2025 we saw a slight decrease in overall proactive activities, especially enforcement. There are a multitude of factors which influenced this decrease, particularly an increased calls for service volume for our frontline patrol members.
Reduce the number of motor vehicle collisions.	Despite a year over year increase in fatal motor vehicle collisions and the recent rise in fatal motor vehicle collisions across SD&G, it is important to recognize the continued dedication and proactive efforts of detachment members. Our members were deeply impacted by these tragedies and their resolve and efforts only increased so they could ensure that the roadways and highways return to being some of the safest in the Province of Ontario.
Promote marine safety and trail safety.	Our vast network of waterways and trails continue to be extremely safe. This can be attributed to the engagement, education and enforcement efforts of our members in SD&G and their collaborations with our other local law enforcement partners.

2025 Community Well-Being Progress Results

Commitment	Progress Results
Expansion of the Mobile Crisis Response Team (MCRT), to provide community based, acute services to those suffering from mental health and addiction related issues.	The SD&G Detachment, in partnership with the Cornwall Community Police Service and Cornwall Community Hospital, was successful in securing enhanced grant funding to increase the capacity of the MCRT. Due to circumstances beyond the control of the OPP, the associated human resource enhancements were not realized at the detachment until mid-December 2025. It is anticipated that the 2026 reporting cycle will reflect significant and positive outcomes resulting from this enhanced capacity.
Enhance our harm reduction programs and strategies being delivered in the schools.	Enhanced partnerships with local schools and school boards strengthened the delivery of safety messaging related to sexual consent and internet safety. Collaborative education initiatives provided students, educators, and families with age-appropriate, relevant information to promote healthy relationships, responsible online behaviour, and personal safety. These partnerships supported early prevention, increased awareness, and reinforced a shared commitment to safeguarding youth within the community.
Actively participate in overdose reduction councils and programs.	Members of the detachment command continued to participate in multiple councils and programs to provide a law enforcement perspective regarding overdose reduction. These efforts have contributed to community conditions remaining stable, particularly when compared to other jurisdictions that have experienced significant increases in overdose occurrences.
Enhance participation and communication in emergency management with the United Counties of Stormont Dundas and Glengarry and our six municipalities.	Emergency management participation in Exercise Trillium proved highly effective. The detachment and the OPP partnered closely with first responders, county and municipal authorities, the Canadian Armed Forces, and community stakeholders. This collaborative exercise enhanced coordination, tested and validated emergency response plans, improved interoperability, and strengthened collective preparedness to manage complex, large-scale incidents.

Enhance our relationships with all members of the Indigenous Mohawk Territory of Akwesasne.	Relationships with all members of the Mohawk Territory of Akwesasne continued to be strengthened through a reconciliation-focused approach grounded in meaningful action, ongoing engagement and respectful dialogue. These efforts emphasized willingness by the members to enhance their cultural awareness and listen to their past and future priorities. These concrete actions led to a further commitment to work together in the spirit of reconciliation.

Other Community Updates

Members of the SD&G Detachment took great pride in their strong commitment to community engagement. This dedication was particularly evident during the summer months, when festivals, fairs, and special events increased and the tourist population significantly swelled. Detachment members maintained a visible and approachable presence, engaging with residents, visitors, and community partners to promote safety, trust, and prevention. Through proactive patrols, public education, and participation in community activities, members reinforced positive relationships while ensuring a safe, welcoming, and enjoyable summer across SD&G.

Residents continued to report high levels of satisfaction with the services provided by the SD&G OPP at a rate of over 90%. Community feedback consistently reflected confidence in police responsiveness, professionalism, and visibility. Members were recognized for their approachability, fairness, and commitment to addressing local concerns. Ongoing engagement, effective communication, and proactive policing contributed to strong public trust. These positive satisfaction levels demonstrated the value of meaningful community partnerships and reinforced the detachment's focus on delivering consistent, high-quality policing services aligned with community expectations and public safety priorities.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the *Community Safety and Policing Act (CSPA)*

To support SDM implementation, the OPP is undertaking a multi-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond effectively to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Meet municipal expectations for police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (Figure 1). These targets reflect how time should ideally be distributed by the end of the SDM staffing strategy.

The targets are based on a provincial average, and variations are expected between detachments due to differences in geography, operational structure, recruitment and leave of absence rates.

Detachments may face challenges in achieving these targets, but progress is expected as scheduling, data quality and strategic deployment continue to improve.

CONTACT THE OPP

Know your location - be ready to describe the situation and your location. Look for addresses, landmarks and buildings that may help identify your location.

REACH THE OPP BY PHONE

- Call 9-1-1 if there is an immediate risk to someone's life or property
 - to stop or report a crime in progress
 - to report a fire
 - to report a life-threatening medical emergency
 - Don't hang up, stay on the line
- To report non-life-threatening incidents that require a police response, use the non-emergency line (1-888-310-1122) or go to opp.ca/reporting
- TTY 1-888-310-1133 or agent 511 for registered subscribers may be used for individuals in the Deaf, Hard of Hearing and Speech Impaired (DHHSI) community to contact police
- For all administrative inquiries or to schedule an appointment, find contact information for your local detachment at opp.ca/detachments

PROVIDE AN ANONYMOUS TIP

- Call Crime Stoppers at 1-800-222-8477 (TIPS) or visit www.crimestoppers.ca

REPORT AN INCIDENT ONLINE

- The OPP offers online reporting for minor, non-emergency occurrences in areas of OPP jurisdiction. opp.ca/reporting allows you to submit a report without visiting or calling.
- Use the online reporting tool for:
 - Theft Under \$5,000
 - Mischief / Damage to Property Under \$5,000
 - Mischief / Damage to Vehicle Under \$5,000
 - Theft from Vehicle Under \$5,000
 - Lost / Missing Property Under \$5,000, including a licence plate(s) or validation sticker(s)
 - Driving Complaints

If you are reporting an emergency, call 9-1-1.

#KNOWWHENTOCALL

9-1-1 is for emergencies only: If there is an immediate risk to someone's life or property.

- ✓ a crime in progress
- ✓ a fire
- ✓ a life-threatening medical emergency

Dialed 9-1-1 accidentally? #Be911Ready. Don't hang up, stay on the line and speak with an OPP Communicator to confirm there's no emergency.

The misuse of 911 ties up emergency lines, communicators and officers, which can result in a slower response to a real emergency and risks the safety of people who may need urgent help.

It is against the law to call 9-1-1 as a joke. Prank 9-1-1 calls can be dangerous and waste valuable emergency resources.
